## THE FATHER'S SEEDS (ALPHA TO OMEGA WITHIN)

Book I of III: Grounding the Divine Sacred Masculine

This is the first (*Revised Edition from Sep-22-2023*) in a series of three offerings that cover our personal awakening path (3D to 12D) and all that led up to it, where it took us and where it is has yet to take **all** humanity into Oneness. We were born into the Roman Catholic faith in Sri Lanka, but still connect to all other faiths there (Buddhism, Hinduism and Islam), for they are interconnected. The book series (*The Divine Family Within One*) is a Trinity.

It starts with The Father's Seeds (Alpha to Omega Within) Grounding the Divine Sacred Masculine to sow the creation to come as all become One. These seeds are in the form of 3,369 meditations that we received from Him while journaling for five years using the surrounding energy (**White Light** and **dark light**) creatively. *Nikola Tesla: "If you only knew the magnificence of the 3, 6 and 9, then you would have the key to the universe."* 

After the summarized worldviews and before these meditations, we grounded past offerings from the Son of God and the Ascended Masters from all faiths (our inspirations) that have ever existed that vibrate with us. They all spoke from the same light, for they all came from the same Father, and to whom all ultimately return. Once Awakened to this truth One then will reside in His Kingdom for eternity, reborn as everlasting life is graced upon One by Him through surrender.

Over the next seven years (as of 2023) two more books will be released before the end of 2030: *The Mother's Womb of Creation (Without Sin) Birthing the Divine Sacred Feminine* followed by the final book titled *The Son's Ascension (Two Become One) Welcoming the Kingdom that Comes.* What comes during and after will depend on what more is needed to be seeded by Him to whom all return, by One's free will choice, as we (the author) have chosen to do in this our last life.

**About the Author:** Brother **Bo** (née Joseph **Bo**zanio Jansz) experienced a Near-Death-Experience (NDE) in Dec-2010 that opened his Spirit to receive and Awaken Christ's Spirit within. From above, so below, Two Become One. A month later, they had a vision of Divine Mercy while being a lector at a Sunday evening Mass at the Lady of Lourdes church in downtown Toronto. After seven years of Higher-Self guidance they chose to leave the **3D Divine Game of Lila (Step 0)** for good.

What followed, and that continues to this day, was a 'Great Remembering' (synchronicities, journaling, drawing, singing in tongues, walking and reconnecting to the natural world and shedding all false societal labels through the *4D 'Dark Night of the Soul*'). This Awakened their **Divine Inner Child (Step 1)** as they were guided to do by their Higher-Self.

In doing so, the lower-self (Feminine lower chakras) and Higher-Self (Masculine Higher Chakras) became the genderless *Authentic Non-Self* (Two Became One—the lower ego was shed). This then shifted them into becoming a Conscious Aware Being and finally on May-25th 2019, a *5D Conscious Adult Light Body (Step 2)* that was reborn as the 1000-Petal Lotus bloomed into the new Kingdom in Heaven and on Earth that surely comes within each One.

Full access to their room in the Library of His Light's Truth (Akasha) was then granted and they entered fully into the **12 Ascended Dimensions of Overlaid Realities of Unity Consciousness (Final Step 3 – 1D to 12D)**, where One exists with the Divine Family above, in Shambhala, while below (as They have always waited for One within to Awaken, Arise and Ascend) for the last time. Our (the author's) puzzle is done and We One/Won All.

For the Kingdom of Heaven is seeded within each One. John 3:15-17 NIV: "For God so loved the world, that he gave his one and only Son, that whoever believes in Him shall not perish but have everlasting life."

### Brother Bo

<sup>49</sup><sub>-5</sub><sup>9</sup>, 3Chapter 9: Society is Off the Spiritual Path, We (SSLR) Return to Guide and Seed<sup>9</sup><sub>+6</sub><sup>-9</sup>, 3

Society is Detached from its True Spiritual Master (World and Humanity Are Not)

Society lives within a bubble of self-imposed and inflicted insanity, as the laws that are meant to keep it safe and sane accomplish the opposite. Corporations are the world's nations. Society is the business and humanity the slaves. We (the author) love the world and humanity for these Two are One as Father and Son while society is the business and humanity the slaves. We (the author) love the world and humanity for these Two are One as Father and Son while society is the balan one (satan) made in his name and ungodly image. Arise, Awaken and Ascend and walk the other way. Non-conformity, self-realization, and stoicism well managed will break One free from it all. One needs to respect societal laws, but society needs to respect One's right to live under the  $I_{ac}$   $e^{-0}_{ac}$  Universal Laws that transcend those of this singular, and at times separated, 3D phenomenal plane. We (the author) do not ask for an end to society, as this will mean the beginning of the dogma dominated doctrines of the old 'isms' that are still grounded in the  $G_{i,a}L^{k+1}O_{i,ar}$ . We (SSLR) wish for an industrious evolution and Ascension for all Ascending souls as Spirits to come into His Light for this and this alone is humanity's birthright.

 1 Corinthians 14:33 NIV: "For God is not a God of disorder but of peace-as in all the congregations of the Lord's people."

In seeking to belong to society, the  $(I_{ac}C^{a}O_{a})^{\prime}s$  Children of Adam and Eve lose the  $(I_{ac}C^{a+}O_{a})^{\prime}s$  innocence they were born with because society takes it from them in order to participate in the Game. This impedes humanity's Collective Awakening, but what is lost can always be regained if One takes the Loving S<sub>a</sub>H<sup>3</sup><sub>a</sub>AO Lokara Middle Path. In the inner snactum of the Loving S<sub>a</sub>H<sup>3</sup><sub>a</sub>AO Lokara Middle Path. In the inner snactum of the Loving S<sub>a</sub>H<sup>3</sup><sub>a</sub>AO Lokara Middle Path. In the Bame H<sub>3</sub>, tis One's outer path that is separated from Great Spirit above. Answer His call and walk innocently into His arms while still on Earth. Become the Awakened  $I_{abc}C^{a+}D_{abc}$  and conscious  $L_{abc}B^{a+}A_{bac}$  while in physical form. Two Become One and One is reborn and redeemed.

We (the author) will not return to this 3D House, as our physical journey is now done thanks to His Son (Jesus). We will be released, unless the Father above needs us to once again watch over and guide His Children. We have been schooled for 500 cosmic lifetimes, 50 physical years (now), and have 5 more Universal Ages as an Avatar and then

194

#### The Father's Seeds (Alpha to Omega Within)

Ascended Master to go, spanning billions of years (555 = 1 + 5 = -J+6 as Frequency). This is the completed path of the Loving  $S_{ac}H^{3}_{ac}J^{4}$  D Chakra Middle Path. One is then guided back to the Light of His Truth, as One becomes boundless, timeless, eternal with Him. Such is self-realization. Such is US Light-Love in Unity Conscious Awareness of the Father's White Light. On the phenomenal plane His Child is the Alpha and the elderly the Omega. To enter the  $S_{ac}H^{3}$  One needs to return to the Alpha point in life. Eternal life is granted by believing in Him.

- Matthew 18:3 NIV: And He said: "Truly I tell you, unless you change and become like little children, you will never enter the Kingdom of Heaven."
- Luke 17:21 NIV: "Nor people will say, 'Here it is,' or 'There it is,' because the Kingdom of God is in your midst (within One since One was born – now is the time to Awaken One's I<sub>...c</sub>C+<sup>a</sup>D<sub>...c</sub>y).

Society is Attached to its false messiah and task masters

The numbers on the money (bills) you value are nothing in comparison to the numbers and power of blind faith from the Ether. True wealth is that which cannot be put into One's wallet but One can always bank on found within. All here have been equally made in His image from the  $l_{ac}$ C \*O\_3's seeded Consciousness. The Light of His Truth has spread across Gail in abundance. Unlike the currencies held so dear in One's wallet or purse (society's material wealth) He provides spiritual wealth. Money cannot buy this Truth or His Light for these two are One. This is why He (Jesus) threw the money changers out of the Temple.

We (SSLR) favour the spirit—Chi, Hara, Holy Spirit, Kundalini, Pranaseeded within to money from without. We find this monetary system comical. Money is worthless to anyone in the Galactic Federation Council of Light. Humanity is the most valuable seed on this phenomenal plane, and the world is a Garden of Eden. Evil exists on Earth for it once did in the Heavens before it was cast out. Humanity chose it in the Garden of Eden and it was then cast out into hell with it. While on Mother Earth below each now has to choose Him above again through the free will granted upon all by the Father the Maker and His Son our Master. Thus, we see no value in 'creature comforts', for we have abandoned the material world (society) and all it offers. It is not of the Father's creation, but is filled with false gods in every place of power (business, politics, media, entertainment, etc). People choose to damn themselves until they choose

195

"A deeply compelling collection of universal spiritual wisdoms covering the personal path taken by an awakening soul using **Tesla's 369**, the energy, frequency, and vibrational key to the universe."
